

OSINT-2

Part 2 of OSINT

we want to find plan of rick's ,we only have the previous information we have, so we will start reviewing it.

Oh wait Morty have a new post

```

i cant tell you much here but the plan is with morty he will take care how to send it)

we think nothing interest here!

new info about flickr. flickr not remove metadata from photo so lets analyze it.

The easiest and fastest way to search for text within files or images is by using the strings command.

How to Destroy the Earth in Three Easy Steps

By [Paul Sutter](#) January 22, 2019

we found the flag

Step 1: Get the math right

Step 2: Find a source of energy

Step 3: Wait
