RICK'S HOUSE

350

Hard **OSINT**

There is this guy called rick eviltn I think he is up to something so we must investigate him so let's start by figuring out where he lives?

Example: building name: Empire state building => Flag: AtHackCTF{empire-state-building}

New house new me

The new house is here or maybe near , good info but without g-location this time .

Hmmm who's Morty and what he posting , we didn't see any account related about him.

the idiot Morty posting stuff that can get us in trouble

Let's search for this center in google map or yandex map!

He has more than one branch, but the main branch closest to the picture is the first

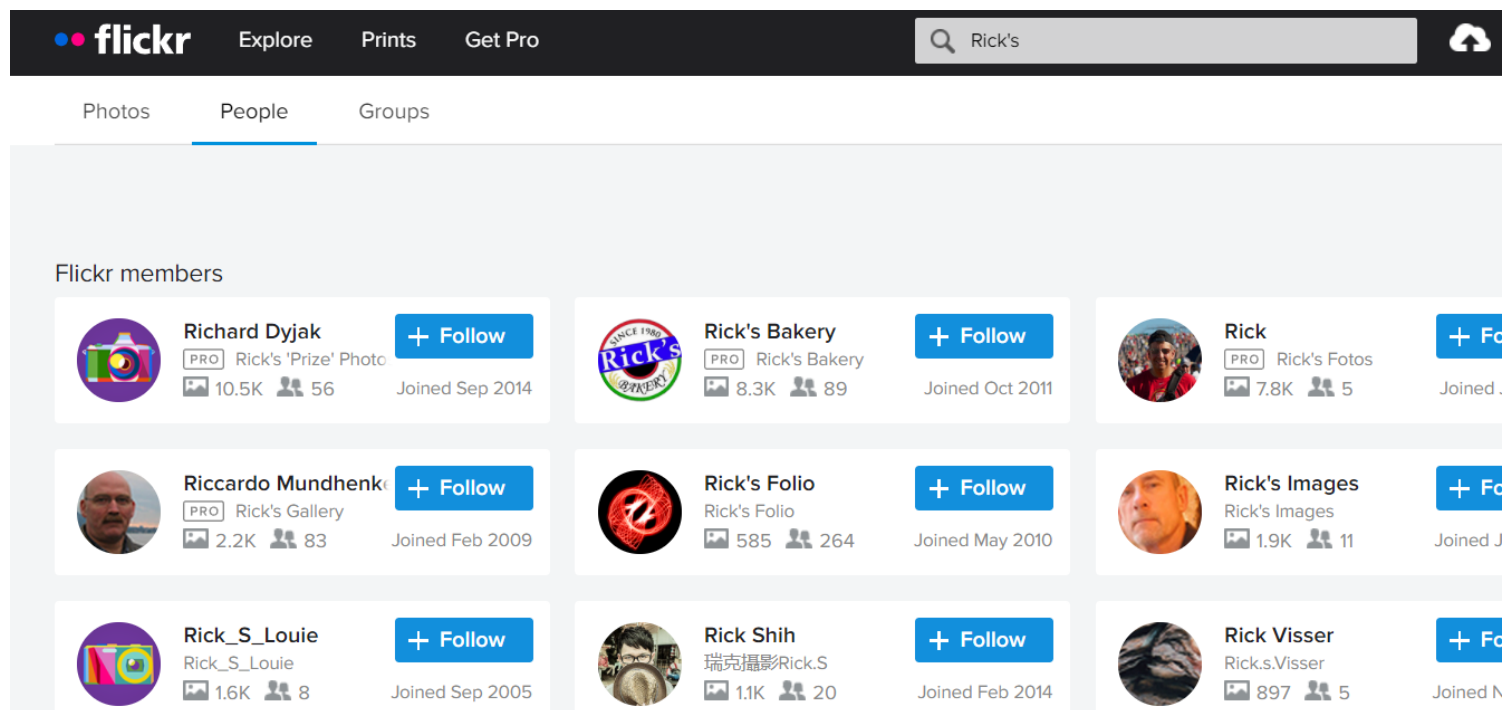

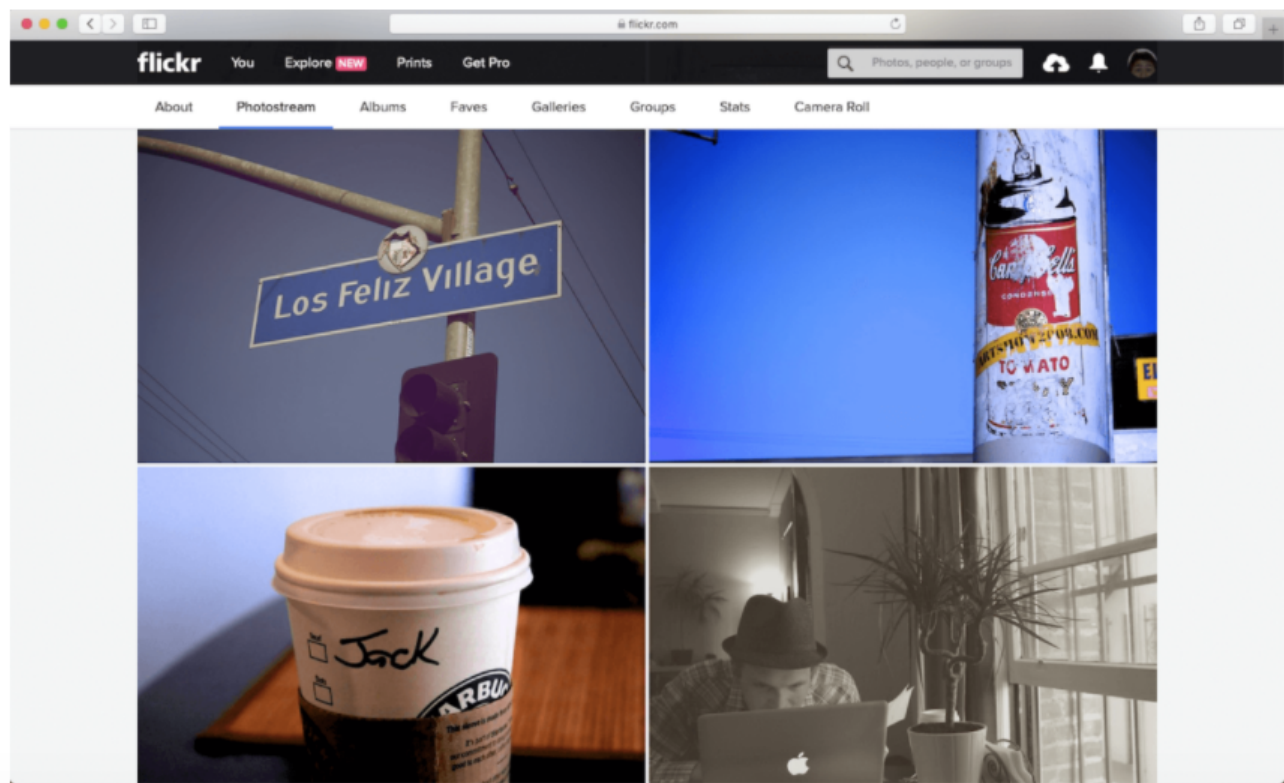

تونس , أريانا , شارع الطيب المهيري , الصندوق الوطني للتأمين على المرض.
(Tunis, Ariana, Taieb Al Muhairi Street, National Fund for Disease Insurance).

we didn't see result in yandex map too ,

We are looking for other sites where a person can share their location with photos !

lets take a look about this site.

6. Flickr: Best of the photo sharing sites

We can't see there account ..

we found a good feature
